

Job Description Investment Officer Debt Investment Global

ABOUT US

Agents for Impact welcomes an Investment Officer to join the Debt Investments Team. Being Agents means more than just a job to us. As experienced experts who act with conviction and passion, we see Impact Investing as an optimal solution to the challenges of our time.

We build bridges between investors and microfinance institutions in the dynamic world of impact investing. Our goal is to create structures that enable sustainable investments (risk), render impact measurable and comparable (rating), and make financial inclusion structurally and legally possible for investors (research). Our goal is to create impact, which is fair, sustainable, and responsible.

In 2020, Agents built a portfolio of around USD 130 mln, facilitating debt investments into a number of Central Asian countries and India. In 2021 we continue exploring other regions and markets including South East Asia, Africa and Latin America. Therefore, we are looking for strong candidates globally to join our team.

ABOUT THE JOB

As **Investment Officer** you will take an important part in impact investments. You will significantly improve the skills and gain knowledge in impact investment management, microfinance markets in different regions, investment process, social performance rating and financial due diligence.
